

**CANDIDATE FOR GOVERNING BOARD MEMBER
SNOWLINE JOINT UNIFIED SCHOOL DISTRICT**

NAME: ALEX BRANDON

AGE: 47

OCCUPATION: Consultant Non-Profit Director

One of the reasons our family moved to Phelan in the first place was the Snowline schools. Sadly, it might not be as determining a factor today. Instead of being far planning, proactive and "BIG PICTURE" thinking, our current board has found themselves in a reactionary posture. The recent campaign of misinformation which resulted in the loss of the bond issue is a prime example.

We need a plan! Our district can not continue to operate at the status quo. Our children need board members who have their best interests at heart. We are obligated to provide K-12 education to students living within the boundaries of the district. Every option has to be considered in future planning.

I have 2 children in the district, with another one coming up. I am on the board of directors for the Phelan Chamber of Commerce and Tanya's Adoption Network 4 Young Animals, Inc. a non-profit corporation. I am a licensed insurance agent, a former business-owner, formerly having served on 3 city commissions (chairing 2 of them) and elected to the Rosemead school board in 1981. I have the time, temperament and tenacity to serve you, our students and the employees of the district.
